

Option 1: In Person

LA DanceMagic is planning to host all 20-21 events in person. To offer the safest environment possible for our attendees LADM will be limiting attendance, working with our venue to increase ballroom space, and implementing new safety measures and guidelines.

Option 2: In Person / Virtual

We understand that some studios and dancers may not feel comfortable attending convention classes in person. All of our 20-21 LADM events will now offer a virtual option for dancers to participate in convention classes virtually, at a reduced virtual rate. This option will still allow dancers to take their classes virtually and still participate in the LADM competition, in person.

Option 3: Virtual

In the event that LA DanceMagic is unable to host an in-person event we will host a virtual event. Convention classes will take place virtually. Dancers will participate in convention classes from home or their studio. Competition routines will be uploaded and judged virtually. All award ceremonies will be held virtually.

Option 4: Transfer

In the event that LA DanceMagic is unable to host an in-person event, registered studios will have the option to transfer their registration to another LA DanceMagic city or schedule an in-studio event through our MAGIC EXPERIENCE program.

Option 5: Refund

Registered studios will have the option for a full refund within 7-10 business days of the event if we are unable to host an in-person event.
